

ENVIRONMENTAL POLICY STATEMENT

Inspectahire Instrument Company Ltd acknowledges the connection between the climate and environmental crises, the threat of current and future homelessness, disease, food and water shortages, and poverty for millions of people around the world. As well as the major damage being caused to the natural world. Therefore, recognise our responsibility to reduce our carbon and environmental footprints and that its activities have a range of actual or potential impacts on the environment.

Acknowledging the importance of maintaining our operations to ensure the Safety of and protecting the Environment. Inspectahire recognises that effective management of our Environment makes good business sense and will be a fundamental and integral part of our business strategy, this policy is communicated to all employees.

Inspectahire Instrument Company Ltd applies several environmental principles to all its activities. We are committed to:

- a) Meeting or, where practicable, exceeding the requirements of all relevant legislation and regulations, and setting down our own demanding standards where none exist.
- b) Avoid waste and encourage conservation, efficient use, and re-cycling, in areas including:
 - Management and minimisation of our paper waste
 - Management and minimisation of CO2 Footprint
 - To prevent air, land, and water pollution e.g., toxic chemical sprays, motor exhaust etc.
 - Effective management of our consumption of non-renewable resources.
- c) Reviewing projects to, where appropriate, ensure implementation of means to minimise environmental impact and/or prevent pollution.
- d) Being sensitive to the Environmental concerns of our Clients and Community through which we operate and responding to them.
- e) Eliminating where possible but if this is not possible, reducing to as low as practicable our environmental aspects that have impacts specifically minimising the environmental impact, for the life cycle; (including disposal), of plant, equipment, and other physical assets under the control of Inspectahire Ltd.
- f) Involving our staff fully in reviewing their work and the downstream implications in terms of environmental considerations.
- g) Providing the resources to enable us to implement our Environmental Policy.
- h) Setting Environmental objectives to continually improve our Environmental performance and monitor the progress of achievement.
