

MISSION STATEMENT

To define the strategic direction of Inspectahire Instrument Company Ltd. and provide a framework for the organisation's continued success, the following Mission Statement has been established.

"To provide specialist inspection instruments and services for assets in harsh and inaccessible environments, delivering solutions quickly, safely and cost-effectively. Using visual and non-destructive testing technologies, we provide our clients with reliable insight to monitor and record asset integrity and performance."

We aim to meet and exceed customer expectations by remaining at the cutting edge of technology, continually improving our capabilities, developing our team's knowledge and drawing on over 40 years of experience to support clients across civil and mechanical engineering, pharmaceutical, oil and gas, shipping and energy industries."
