

QUALITY POLICY STATEMENT

Inspectahire Instrument Company Ltd. is committed to providing high-quality, professional services that meet customer, statutory, regulatory and other applicable requirements. We aim to continually improve the effectiveness of our Quality Management System through the review and development of our processes, consideration of stakeholder requirements and monitoring of business performance.

This Quality Policy provides the framework for establishing and reviewing our quality objectives and supports the strategic direction of the Company.

Support our goals, our policy is to set and monitor quality objectives and performance indicators by:

- Working with our customers and other relevant interested parties to understand their requirements and consistently deliver services that meet agreed quality standards.
- Continually improving the effectiveness of our Quality Management System through monitoring, measurement, internal audit, management review, corrective action and the identification of opportunities for improvement.
- Delivering quality services and products that meet agreed customer requirements, timescales and commercial commitments.
- Maintaining active management involvement in the Quality Management System, including the review of performance, audit results, customer feedback, risks, opportunities and improvement actions.
- Providing services in a safe, professional and consistent manner, with due consideration for quality, health, safety and applicable customer requirements.
- Supporting the training, development and competence of our employees to ensure that activities affecting the quality of our services are carried out by suitably competent personnel.
- Maintaining a strong focus on customer service and satisfaction, including actively seeking, monitoring and reviewing customer feedback to identify opportunities for improvement.

Inspectahire is committed to maintaining a Quality Management System that conforms to the requirements of ISO 9001:2015 and supports the achievement and review of our quality objectives. Through the effective implementation and continual improvement of our Quality Management System, we aim to consistently meet customer and applicable requirements and, wherever practicable, exceed customer expectations.

Applicability of Clause 8.3: Design and Development of Products and Services

ISO 9001:2015 Clause 8.3 – Design and Development of Products and Services is not applicable to Inspectahire's Quality Management System. Inspectahire provides services using established customer requirements, technologies, methodologies and processes and does not undertake the design and development of products or services. Further details and justification are defined within the Quality Manual.

This Quality Policy will be communicated and made available to employees and relevant interested parties as appropriate. Employees are expected to understand how their activities contribute to the effectiveness of the Quality Management System and the achievement of our quality objectives.
